

## **Baby Equipment Loan Service & Toy Library Covid-19 Terms and Conditions of Service**

In order to protect the safety of staff, members of the project and volunteers, we respectfully ask you to adhere to the following:

Ring or email the project to make an appointment to return toys/ equipment, to choose new toys or loan equipment.

If you require new toys for your child you will be asked when making the appointment what toys your child would like to borrow. Our staff will be able to let you choose from a limited range when you visit.

We are currently unable to allow access to the full range of toys in the project.

If possible please do not bring children or accompanying adults into the project.

Returned toys & equipment need to be enclosed in a sealed bag-bin bags are ideal & can be cut in order to cover bulky items such as buggies or cots.

Please wear a protective face-covering during your visit.

Unfortunately, there will be no access to toilet facilities.

Hand hygiene stations will be available for your use.
